From Our POA President – Cindy Leising

Things are beginning to come alive in our Camp Florida community! Every day there are more of our homeowners and guests arriving from the North to enjoy the winter months in sunny Florida.

The hurricane recovery is beginning to wind down and most of the down trees, limbs and debris has been cleared and the large piles of debris along Hwy 27 by Winn Dixie have been picked up by the county. Throughout the park repairs and being made on damaged homes, concrete is being poured for new buildings, new car ports and going up and things are starting to feel normal again. Minor repairs will still need to be made to some of our shower house buildings that have missing fascia, soffit panels, and siding as soon as an inventory is taken, and supplies are ordered.

As we put October behind us for another year, we will be celebrating with a Halloween bash in the clubhouse. Costumes are optional and it looks like we will have a spooky good time. Thanksgiving Dinner will be served on November 24th at 5:00pm. All you snowbirds fly on back so you can enjoy Thanksgiving with your Camp Florida family and friends!

Looking forward to everyone's return and wishing all of our travelers a safe trip.

FROM OUR PARK MANAGER, JOHN SIMS

It's hard to believe summer is over and the fall winter season is getting ready to start we already have a number of our snow bird property owners here. Hurricane JAN did interrupt our normal routine here at the park but we are starting to get back to normal but still things to clean up from IAN, most are in the common area behind the properties I have a list these will be the last things we do. Your maintenance crew has worked hard over the last month we are ahead of our schedule only because a lot of our year-round property owners jumped into help. I can't thank them enough. I would name them but if I miss one name it would be wrong, so all those property owners who pitched in stopped their personnel business to help us get the park back in order.

THANK YOU YOU'RE THE BEST

*We're looking forward to seeing everyone. **If** you have any questions or request, please see me or Patti. PLEASE remember the speed limit is 15mph and stop at all stop signs they are here for your safety and well-being, Walkers please wear bright clothes **if** you are out at night, bring a flashlight, **if** you have a golf cart with no light don't drive it at night. **If** you have a boat and are going to put it on the dock, please see Patti or me so we can keep track of whose boat is moored in case of an emergency. I am looking forward to seeing all of you and hope you have a great winter season and enjoy your beautiful park.*

EVERYONE WELCOME!!
