From Our POA President – Cindy Leising

The time has gone buy so quickly and it is once again time for many of our Camp Florida friends and family members to head back North for the summer. We have all had a great time at our winter homes and kindled and renewed our friendships with our Camp Florida family.

I would like to recognize a couple of Committee chairpersons who were instrumental in making our time here a memorable one this season. First off is Linda Reuter who has chaired our Entertainment Committee and has made excellent choices for our in-park entertainment this year. The talent that Linda brought into Camp Florida was exceptional this year and the variety was enjoyed by all. I know that selecting the talent and arranging for these shows can be a very time-consuming task and often done on personal time. Thank you, Linda, for your years of service in this capacity. Linda's replacement will be Nancy Johnson. I am sure she will do a great job having Linda as her mentor.

Secondly, I would like to thank Tom Stansifer for being the chairperson of our Activity Committee this year. Tom stepped up to the plate on our time of need and did a great job conducting our biweekly meetings. He soon discovered how busy and important this position is to our park. Keeping up with all the activities throughout our park is not an easy task but Tom quickly became engaged and managed to keep everything in order. He was instrumental in getting minutes taken at the meetings and posted on our website for all to read. Thanks to Diane Newberry for taking the minutes as well. Debbie Owens has agreed to be the Activity Committee Chairperson and Lee Reising will act as Vice-chair for the coming season. I hear they have some new ideas and procedures to bring to the Activity meetings. Good luck to both of you and we will be looking forward to your leadership.

Safe travels to all as they head back home. Looking forward to seeing everyone later this fall. Enjoy your time with your family and friends throughout the summer.

FROM YOUR PARK MANAGER, JOHN SIMS

It is hard to believe that it's already April and the season has flown by. I would like to wish everyone a safe trip home. Have a great summer! If you have any water or electrical issues, please call Pat Conroy.

Patty or me. If you have any issues, reference your RV if you leave it here for the summer or if you have a park model, please call and we will check out the problem and you can take it from there.

Please before you leave, have someone coming in and take care of your weeds in your lot while you are up north. There are a couple of lots that need to be pressure washed before the owners leave for the summer.

Reminder to shut off your electric and water before you leave if you have an open lot. If you have a park model, please turn off your hot water heater and shut your water off before you leave.

If we encounter a severe storm, tropical storms, or hurricanes, we will check for any damage as soon as possible. If there is damage, we will contact you and if there is no damage, you will not hear from us.

John Sims, Park Manager
Patti Winter, Asst. Manager

VETERANS

Thanks to everyone for your donations for the Veterans. I will continue to take your donations this summer to the Veterans Services as well as my new contact for the homeless vets. If you are cleaning out your food cupboards before you head North, you can donate foods that are not yet expired but may be expired before you return here. Hope you have a safe trip home, a great summer, and a safe return back to us. God bless. Peg Vedder

Thank you to all Camp Florida Dancers for another wonderful season! Hope to see you next year. I already have four new dances to teach you including a Foxtrot and a Swing! You are an amazing group of dancers and I love you all! ♡
